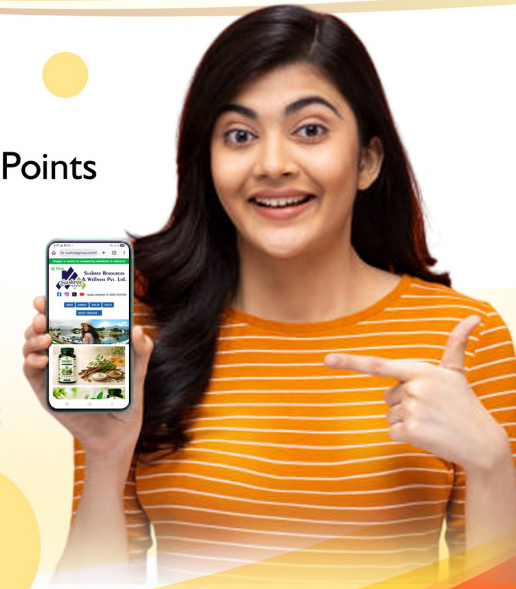
Various Benefits



Your Onboarding

Joining

Joining is Free. When someone introduces you, you will receive a message mentioning your User ID and Password. Login with your credentials. Recharge your wallet and activate your code.

Activation

You can activate your code by purchasing any of our products with a minimum amount of Rs. 1,599/- (1,000 BV). Now you are ready to go !

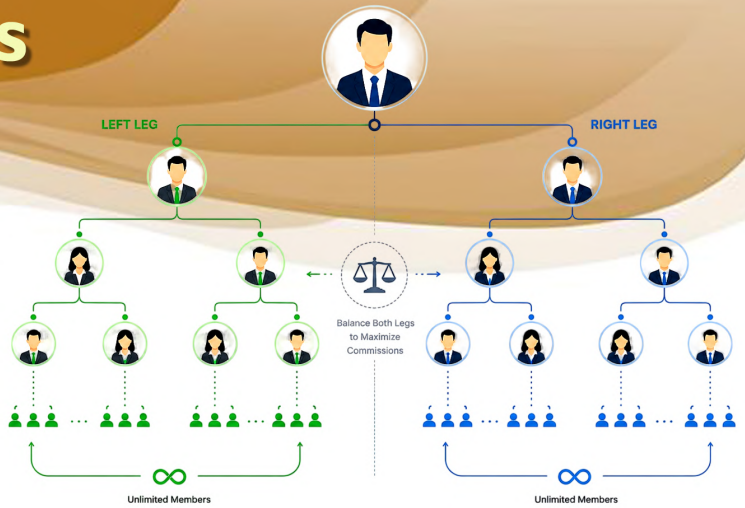
Now you are required to introduce at least 2 distributors (one on your left and the other on your right) and your income will start.

You can activate other distributors with your wallet balance.

Matching Bonus

Matching Bonus

Your income will be 25% of the matching Left Hand and Right Hand B.V. Power hand will be carried forward. Matching will be for unlimited depth.

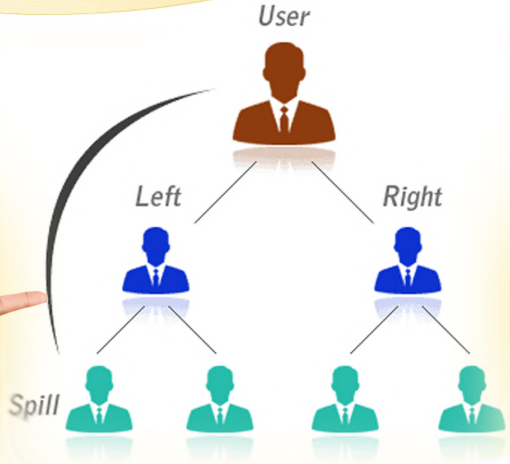


Carry Forward

Different packages have varying B.V. Your income will be calculated on daily B.V. matching. Carry forward system is shown below :

1,000(L) : 5,000(R)	1,000 B.V. Matching	Rs. 250/- (Income)
0(L) : 4,000(R)	Carry Forward To Next Day	

Spill Over



Spill joining is allowed to any distributor in your own team. Spilling is NOT done to extreme left or right. It is put as per your choice.

Direct Hands

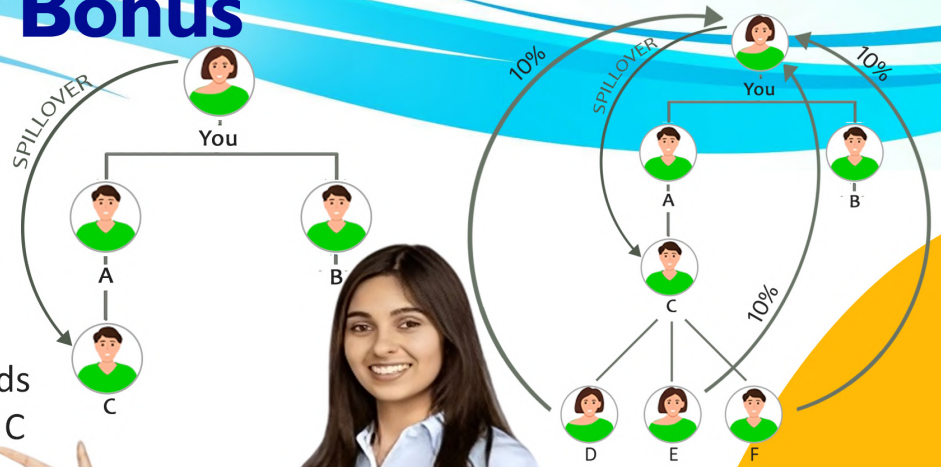
You are allowed to introduce unlimited direct hands. Although the 3rd hand onwards will be placed under any distributor of your team, you will get all the benefits of being his/her sponsor.

Spill Over Bonus

Spillover Bonus

When you have more than 2 direct hands, all joinings from these extra hands will fetch an income of 10% of their Purchase B.V.

As in this case A and B are direct hands and C has been spilled, all joinings of C (D, E and F) will fetch income of 10%.



Eligibility

It should be noted that the spillover bonus will be paid to the first upline sponsor whose extra leg has brought the new distributors.

Level Bonus

You can receive level income to a depth of 12 levels. It is to be noted that this income is disbursed based on sponsor, not on placement. The table below elaborates the level wise distribution of this income.
